IN THE MATTER OF THE LICENSE OF

License No. 34BA00152500

TO ENGAGE IN THE FIRE ALARM
AND BURGLAR ALARM BUSINESS
IN THE STATE OF NEW JERSEY

Administrative Action

ORDER OF SUMMARY
SUSPENSION

This matter was opened to the New Jersey State Fire Alarm, Burglar Alarm & Locksmith Advisory Committee ("the Committee") upon receipt of information revealing the following:

1. Respondent, William C. Jobes, Jr., is the holder of License No. 34FA00121500 and License No. 34BA00152500 and was licensed to engage in both the fire alarm and burglar alarm business in the State of New Jersey from January 18, 2006 until August 31, 2007 after which time respondent permitted both licenses to lapse.

2. On or about January 13, 2009, the Committee received a complaint that respondent was working with an expired license for Mallow Security Systems located in Toms River, New Jersey. The Committee records include several documents indicating that respondent has worked on a number of jobs in the fire alarm and burglar alarm business after his license expired on August 31, 2007, which if true would constitute unlicensed practice.

3. Respondent's failure to submit his triennial renewals in 2007, resulting in a lapsed license status regarding both licenses, provides grounds to automatically suspend respondent's license to engage in the fire alarm business and his license to engage in the burglar alarm business, in the State of New Jersey, pursuant to N.J.S.A. 45:1-7.1(b).

ACCORDINGLY, IT IS on this 20th day of September, 2010,
ORDERED THAT:

1. Respondent's license to engage in the fire alarm business and respondent's license to engage in the burglar alarm business in the State of New Jersey, shall be and hereby are suspended by operation of N.J.S.A. 45:1-7.1, without a hearing.

2. Prior to the Committee entertaining any petition for reinstatement of his license to engage in the Fire Alarm Business or his license to engage in the Burglar Alarm Business, respondent shall be required to appear before the Committee to demonstrate fitness to resume practice and to provide information concerning

the information received regarding unlicensed practice in New Jersey, as well as information regarding respondent's activities from the date of license lapse until the date of the appearance. Further, respondent shall satisfy any requirements for reinstatement of licensees with lapsed licenses pursuant to N.J.S.A. 45:1-7.1(b). Any practice in this State prior to said appearance and reinstatement of licenses shall constitute grounds for a charge of unlicensed practice. In addition, the Committee reserves the right to take disciplinary action based on the activities underlying the allegations of unlicensed practice and to place restrictions on respondent's practice should his license be reinstated.
